

CURRICULUM VITAE

Name: Stojmir Stojanovski

Business Address 1: Hydrobiological Institute, Naum Ohridski Str. 50, 6000 Ohrid, Republic of Macedonia

Tel.: + 389 46 231 050 Fax: +389 46 262 910

Business Address 2: Faculty of Biotechnical Sciences, Partizanska Str. bb, 7000, Bitola, Republic of Macedonia

Tel.: +389 47 236 207 Fax: +389 47 226 220

Home Address: Marko Nestoroski 164, 6000 Ohrid, Republic of Macedonia

Home tel.: +389 46 231 244 Mobile: +389 70 31 31 66

E-mail address: stojstoi@gmail.com

Languages: English and Serbian fluently, can use Russian Language

Date and place of birth: January 1, 1969; Ohrid, Macedonia

Sex: Male

Marital status: married, three children

Military Servis: Completed in 1987 /1988

Citizenship: Macedonian **Nationality:** Macedonian

Education

Primary school: 1975 - 1983 Ohrid.

High School: 1983 - 1987 Biotechnical group, "St. Kliment Ohridski", Ohrid.

Faculty: 1988 - 1993 Faculty of Veterinary Medicine, University of Belgrade, Serbia and Montenegro.

Postgraduate studies:

Postgraduate studies, 1993 - 1997: section Parasitology and Parasitological Diseases. Faculty of Veterinary Medicine, University of Belgrade, Serbia.

MSc Thesis, 1997: Ecto and endoparasites of fishes from the Lake Ohrid". Faculty of Veterinary Medicine, University of Belgrade, Serbia.

PhD thesis, 2003: "Fauna of monogenean trematodes - parasites of fishes from natural lakes in Macedonia". Faculty of Veterinary Medicine, University "St. Cyril and Methodius", Skopje, Macedonia.

Working experience

1996 – present: **Researcher - Hydrobiological Institute**, Ohrid (Macedonia), Department of Fish parasitology and Pathology.

2006 – present: **Senior Research Fellow - Hydrobiological Institute**, Ohrid (Macedonia), Department of Fish parasitology and Pathology.

2006 – 2009: **President of Scientific Council - Hydrobiological Institute**, Ohrid (Macedonia).

2005 - present: **Ass. Prof. - Biotechnical Faculty**, Bitola (Macedonia); subject: Zoonotic Diseases.

2009 - present: **Assoc. Prof. - Veterinary Faculty**, Bitola; subjects: Parasitic diseases; Diseases of Fish, Bees and Wild Animals.

Job responsibilities:

Department of Fish Diseases, Hydrobiological Institute-Ohrid, Manager.

President of Scientific Council - Hydrobiological Institute, Ohrid.

Projects

1. Standardization method for the identification of fish parasites (international project, financed by CEI - **coordinator in Macedonia, 2005**).

2. Parasitic diseases of fishes from cyprinid aquaculture in the R. Macedonia and and R. Bulgaria (bilateral project – **coordinator, 2005 - 2007**)
3. Investigations of fish diseases and their characteristics in the Republic of Macedonia (national project – **participant, 1998 - 2000**).
4. Molecular genetic and morphological analysis of salmonids and their parasites from Lake Ohrid, Macedonia and some rivers in Slovenia (bilateral project - **participant**).
5. Limnological investigations of Lake Ohrid (national project - **participant**).
6. Problem with eutrophication of Lake Ohrid (national project - **participant**).
7. Parasite fauna in salmonid fishes from Lake Ohrid and their dynamics (national project – **participant, 1998 - 2001**).
8. Parasite fauna in the fishes from Lake Prespa and their dynamics (national project – **participant, 1997 - 2000**).
9. Monitoring of the parasite fauna of fishes from Lake Prespa and the life cycle of economically important and the most common parasite species (national project – **participant, 2001 - 2004**).
10. Investigation of Reservoir Tikvesh with methods of assessment of water ecosystems, by composition of helminth fauna, zooplankton, macrozoobenthos, microbiological parameters and bioaccumulation of heavy metals in systems helminth – host (national project – **coordinator, 2010 - 2012**).

Applied:

1999 - 2004 **Lake Ohrid Conservation Project**, financed by GEF grant and World Bank.

Advancement of scientific youth

Member of Comission for defending of MSc thesis of Ass. Aleksandar Cvetkovic on the Faculty of Veterinary Medicine, Skopje, 2009.

Editorial board

1. Book of papers; Vol. 41, 2008. Hidrobiological Institute, Ohrid.
2. I Symposium for protection of natural lakes in Republic of Macedonia. Proceedings. 2007.
3. Limnological investigations of Ohrid and Prespa Lakes; Vol. 5.
4. SIAL 5, Symposium for ancient lakes Ohrid, 2009.
5. Annales of Parasitology. 2015. Reviewer.

Grants

1994: 3-months training course in the Biological Institute in Belgrade, Serbia and Montenegro, Laboratory of Ichthyology and Ichthyoparasitology.

1999: 3-months training course: "Fish Pathology and Environmental Management" on Fishery Faculty in Shimonoseki, Japan, financed by JICA.

2001: 2-weeks research stay in Biological Institute and Faculty of Veterinary Medicine in Belgrade, Serbia and Montenegro, financed by Hydrobiological Institute, Ohrid.

2005: 12-months Regular National Scholarship - World Federation of Scientist.

2005: 1-week "International Training Course in Bioinformatics" on Institute of Experimental Pathology and Parasitology, Bulgarian Academy of Sciences; Sofia, Bulgaria, financed by UNESCO - ROSTE.

2006: Participation on XI World Parasitological Congress (ICOPA); Glasgow, UK, financed by ICOPA and Melinda & Bill Gates Foundation.

2009: 1-week "SCIENCE & CITES training workshop" (concerning to trade in wild species) in Palic, Serbia, financed by CITES.

2011 – Research stay & Special NCB Seminar; Oslo, Norway, financed by Natural History Museum, University of Oslo; financed by Natural History Museum-Oslo.

2014 - Regional Workshop **FAO TCP/RER/3402** "Assistance to Western Balkan Countries for Improving Compliance to International Standards on Aquatic Animal Health" in Ohrid.

2014 - Workshop on Implementing the EU Legislation Governing Aquaculture Animals. AGR 53652. TAIEX. Organised in co-operation with The Food and Veterinary Agency of the former Yugoslav Republic of Macedonia
